## Message

We at Aligarh Muslim University wish to have a world class University Museum. It is therefore my mission to propel our university into the top position among institutions of the country.

The present University Museum has been renovated and has adequate space for display. It does not however have a large collection to interest and attract visitors. Our guests Visitors must go back impressed.

I therefore appeal to all the students, teachers, alumni and well wishers to donate or gift any artifact linked to the University or Medieval period such as photographs, paintings, costumes, textiles, house hold objects etc to the University Museum.

I request the Non Resident Indians, particularly members of the A.M.U Old Boys Association of various countries, to acquire artifacts or cultural objects of Indian origin put up for auctions in different parts of the world. These may kindly be acquired and donated to the University Museum

For further detail please contact Chairman Department of Museology, A.M.U, Aligarh.
